*Among many of the powerful prayers in the holy Scripture, "God, be merciful to me, a sinner!" stands out as the most immediate answered prayer. The simplicity of this prayer didn't explain its immediate answer, but rather the awareness of God's mercy coupled with sincere repentance accounted for the immediate response. Drawn from this prayer and the blind's prayer: 'Jesus, Son of David, have mercy on me' come to a prayer that sums up our faith: "Lord Jesus Christ, Son of God, have mercy on me, a sinner". Various variations of this prayer are composed using names, titles, and the characters of our Lord recorded in the Old and New Testaments; the church fathers' writings, and other christian literature.*
